Borrower’s Rights and Responsibilities Statement

Important Notice: The Borrower’s Rights and Responsibilities Statement provides additional information about the terms and conditions of loans you receive under the Federal Stafford Loan Master Promissory Note (MPN). Please keep a copy of this statement because it applies to present and subsequent loans received under the MPN. You may contact your lender at any time for another copy of this statement.

The Federal Family Education Loan Program (FFELP) includes the following loans:

- Subsidized Federal Stafford Loan (formerly known as Guaranteed Student Loan [GSL]),
- Unsubsidized Federal Stafford Loan,
- Federal Insured Student Loan (FISL),
- Federal Supplemental Loans for Students (SLS), also known as ALAS,
- Federal PLUS (parent) Loan,
- Federal Consolidation Loan.

The FFELP is authorized by Title IV, Part B of the Higher Education Act of 1965, as amended.

1. Governing Law – Loans disbursed under this Master Promissory Note (MPN) are subject to the Higher Education Act of 1965, as amended (20 U.S.C. 1070 et seq.), and applicable U. S. Department of Education regulations (collectively referred to as the ‘Act’). NOTE: Any change to the Act applies to the terms of any loans made on or after the effective date of the change.

2. Use of this MPN – I may receive more than one loan under this MPN over a period of up to ten years. Whether I may receive loans under this MPN for only one academic period, or for multiple academic periods, depends on the school I am attending. I may receive loans under this MPN from the original lender, or a lender who assumes the right to offer loans under this MPN, even if I change my school (provided the school is authorized to certify subsequent loans under this MPN) and even if the guaranty agency changes. I must sign a new MPN if I wish to receive loans from a lender other than my original lender, or a lender who assumes the right to offer me loans under this MPN.

3. Subsidized and Unsubsidized Loans – There are two types of Federal Stafford Loans that I may be eligible for under this MPN: subsidized and unsubsidized. The subsidized Federal Stafford Loan is based on need. If I qualify, the government pays the lender the interest due on my subsidized loans. The unsubsidized Federal Stafford Loan is not based on need. I am responsible for all interest that accrues on my unsubsidized loans.

4. Maximum Program Loan Amounts – Under the Federal Stafford Loan Program (including both subsidized and unsubsidized loans), I may borrow amounts under this MPN up to and including the dollar amounts shown in the chart on this page (Federal Stafford Loan Maximums).

I am subject to the limits on these loan amounts on the basis of the following:

- My academic level (freshman, sophomore, etc.),
- My status as a dependent student or independent student,
- The length of the academic program in which I am enrolled,
- The length of the remainder of my undergraduate program of study if it is less than one academic year, and
- As otherwise authorized by the Act.

5. Maximum Individual Loan Limits – For each academic period, my school determines the maximum loan amount I am eligible to receive by considering the factors in Section 4 above and other factors such as my Cost of Attendance, Expected Family Contribution, and other financial aid awarded to me. If my school awards both subsidized Federal Stafford Loans and unsubsidized Federal Stafford Loans, it is required to determine my eligibility for a subsidized Federal Stafford Loan before determining my eligibility for an unsubsidized Federal Stafford Loan.

If I have received student loans from more than one lender or from other federal student loan programs, I am responsible for informing my school and my lender of my other student loans. In some cases, I may not be eligible for loans for which I have applied.

6. Use of Loan Money – I must use the loan money for authorized educational expenses for attendance at the school that certified my eligibility for the time period shown on my disclosure statement. Authorized expenses include the following:

- Tuition,
- Room,
- Board,
- Institutional fees,
- Books,
- Supplies,
- Equipment,
- Dependent child care,
- Transportation,
- Commuting expenses,
- Rental or purchase of a personal computer,
- Origination fee and guarantee fee, and/or
- Other documented, authorized costs.

7. Loan Fees – I may be charged an origination fee and/or a guarantee fee for each loan made under this MPN. Neither fee may exceed the rate as specified in the Act. The amount of these fees will be deducted proportionately from each disbursement.

8. Disbursement of Loan Money – Generally, my loan money will be disbursed to my school in multiple installments based on the academic terms at my school. If my school does not have academic terms, my loan money will generally be disbursed in at least two installments, one at the beginning and one at the midpoint of my enrollment period for the applicable loans.

1. Certain health professions students may qualify for higher limits.
2. All undergraduate annual loan limits are subject to proration.
3. If the borrower does not have financial need for a subsidized Federal Stafford Loan using expected family contribution (EFC), or has reached the aggregate limit in subsidized Federal Stafford Loans, the borrower may receive up to and including this entire amount in unsubsidized Federal Stafford Loans assuming he or she has remaining eligibility for the loan.
If I am enrolled in a foreign school, or in a study abroad program through a school in the U.S. (home institution), the disbursement requirements stated above do not apply and:

- The loan money may be sent in one installment directly to me, or
- I may provide my foreign school or home institution, as applicable, a written authorization designating an individual not affiliated with the foreign school or home institution as my power-of-attorney to negotiate any loan disbursements on my behalf.

Loan money may be credited to my account at my school or disbursed by a check or other means made payable to me.

If this is my first student loan under either the Direct Loan Program or the FFELP, I must receive entrance counseling before the first disbursement of my subsidized or unsubsidized Federal Stafford Loan can be made.

9. Change of Status – I must notify my school and/or lender of certain changes.

I must notify my school’s financial aid office if any of the following events take place:

- I reduce my enrollment status to less than half time,
- I withdraw from school,
- I stop attending classes,
- I fail to re-enroll for any term,
- I have a change in my expected graduation date,
- I fail to re-enroll for any term,
- I reduce my enrollment status to less than half time,
- I change my name (for example, maiden name to married name),
- I change my employer or my employer’s address or telephone number changes, and/or
- I have any other change in status that would affect my loan (for example, the loss of eligibility for an unemployment deferment by obtaining a job).

10. Effect of Loans on Other Student Aid – Federal law requires that before receiving a Federal Stafford Loan, my school must receive a determination of my Pell Grant eligibility. Also, because an unsubsidized loan is more expensive to borrow than a subsidized loan, my school must determine my subsidized loan eligibility before I am offered an unsubsidized loan.

11. Grace Period – I will receive a 6-month grace period before the first payment of my Federal Stafford Loan must be made. The grace period begins the day after I cease to be enrolled at least half time at an eligible school.

My grace period does not include any period up to 3 years during which I am called or ordered to active duty for more than 30 days from a reserve component of the Armed Forces of the United States, including the period necessary for me to resume enrollment at the next available regular enrollment period.

12. Repayment – All of my loans made under this MPN must be repaid.

The repayment period for my loans begins the day after my 6-month grace period ends. My lender will notify me of the date my first payment is due.

I must make payments on my loans even if I do not receive a bill or repayment notice. Billing information is sent to me as a convenience, and I am obligated to make payments even if I do not receive any notice. My minimum annual payment required on all my FFELP loans will not, unless the lender otherwise agrees, be less than $600, except as provided in a graduated or income-sensitive repayment plan. Notwithstanding the preceding sentence, my minimum annual payment will never be less than the amount of interest due and payable.

My repayment period for each loan lasts at least 5 years but may not exceed 10 years (except under an extended repayment plan) from the day after the grace period ends.

I will be given the opportunity to choose one of the following repayment plans (for the following repayment plans, the time limits shown do not include periods of deferment and forbearance):

- Standard Repayment Plan – Under this plan, I will make fixed monthly payments and repay my loan in full within 10 years (not including periods of deferment or forbearance) from the date the loan entered repayment. Payments must be at least $50 a month and will be more, if necessary, to repay the loan within the required time period. I am only eligible for this plan if (i) at the time I obtain a loan under this MPN I have no outstanding balance on a FFELP loan made before October 7, 1998, and (ii) I accumulate outstanding FFELP Program loans exceeding $30,000.
- Income-Sensitive Repayment Plan – If I choose this plan, my monthly payments will be adjusted annually, based on my expected total monthly gross income from all sources. I may call my lender at any time for more information about this repayment plan option.

Under each plan, the number or amount of the payments may need to be adjusted to reflect annual changes in the variable interest rate.

These repayment plans will be explained in more detail during my exit counseling session. If I do not choose an income-sensitive, graduated, or extended repayment plan within 45 days after notification of my repayment choices, or if I choose an income-sensitive repayment plan but do not provide the required documentation within the lender-specified time frame, my lender will require that I repay the loan under a standard repayment plan. I may change the repayment plan on my loan(s) once a year.

There will be no penalty for prepaying any portion of my loans.

All payments and prepayments may be applied in the following order: late charges, fees, and collection costs first, outstanding interest second, and outstanding principal last.

If I fail to make any part of an installment payment within 15 days after it becomes due, I may owe a late charge. This charge may not exceed six cents for each dollar of each late installment.

13. Interest Rates – The interest rate on a Federal Subsidized Stafford Loan and a Federal Unsubsidized Stafford Loan is a variable rate that is based on a formula established in the Act. The interest rate may be adjusted each year on July 1. As a result, my interest rate may change annually, but it will never exceed 8.25 percent. After reviewing the actual interest rate, I may cancel or reduce any loan obtained under this MPN in accordance with the "Loan Cancellation" section that follows.

14. Payment of Interest – My lender will, during the in-school, grace, and deferment periods and during any period in which I am on active-duty military service, defer and align principal payments on my outstanding FFELP loans. Interest that accrues on all my subsidized FFELP loans during authorized forbearance periods, and on all my unsubsidized FFELP loans during periods when I am not making regularly scheduled payments may, unless precluded by the Act, be capitalized (added to the principal of my loans) — unless I pay the interest as it accrues.

Except for interest charges the federal government pays on my behalf for subsidized Federal Stafford
Loans (while I am in school at least half time, for up to 3 years active duty service in the Armed Forces as described in the Grace Period section above, during the grace period after I leave school, or during any period of authorized deferment), it is my responsibility to pay interest on the principal amount of my loans from the date of disbursement until the loans are paid in full. For all other periods and for unsubsidized Federal Stafford Loans, it is my responsibility to pay interest on my loans.

If I inform my lender that I wish to pay interest as it accrues, but I do not submit the payments, my lender may capitalize that interest.

Capitalized interest increases the principal balance of my loans and the total amount of interest charges I must pay. Interest will be capitalized on my loans as provided under the Act. Generally, capitalization may occur no more frequently than quarterly. However, interest that accrues on my unsubsidized Federal Stafford Loans during in-school, grace or deferment periods may only be capitalized at the end of such periods. In addition, interest may not be capitalized if my lender grants an administrative forbearance for up to 60 days in order to collect and process documentation supporting my request for a deferment, forbearance, change in repayment plan, or consolidation. (See the chart entitled, “Capitalization of Federal Stafford Loan Interest,” for further information on capitalization.)

The charts entitled Repaying Your Loans allow me to estimate the cost of capitalization and estimate the effect of capitalization on my monthly payments. If necessary, I must add two or more estimates of my payments together to approximate more closely the total monthly payment.

I may be able to claim a federal income tax deduction for interest payments I make on my FFELP loans. For further information, I may refer to the IRS Publication 970, which is available at http://www.irs.ustreas.gov.

15. Loan Cancellation – I understand that the terms of a full or partial loan cancellation depend on when I request the cancellation.

At any time before my loan money is disbursed, I may decline all or part of my loan money by notifying my school or lender. No origination fee, guarantee fee or interest will be charged on the amount of the loan that is cancelled.

If my school credits my loan to my student account, I may cancel all or a part of my loan by informing my school within 14 days after the date my school sends me a disbursement notice, or by the first day of the school’s payment period, whichever is later. (My school can tell me the first day of the payment period.) If I cancel all or a portion of my loan as described in this paragraph, my school will return to my lender the cancelled amount of the loan money and the loan fees will be reduced or eliminated in proportion to the amount returned.

At any time within 120 days of disbursement, I may pay back all or a part of my loan. The loan fees will be reduced or eliminated in proportion to the amount returned.

16. Sale or Transfer of Loans – The lender may sell or otherwise transfer one or all of my loans without my consent. Should ownership of a loan be transferred, I will be notified of the name, address, and telephone number of the new lender to which all communications should be addressed. If I still have unpaid interest, the new lender may charge interest on the entire balance of the loan at a rate that does not exceed the rate at which I was charged during the period of my ownership of the loan.

17. Loan Discharge – My loans will be discharged if documentation of my death is submitted to my lender. My loan(s) may also be discharged if a physician certifies that I am totally and permanently disabled as defined by the Act. In addition, I must meet certain income requirements and may not receive any additional FFELP, Direct, or Federal Perkins Loans during a 3-year conditional discharge period. I may not receive a discharge due to total and permanent disability based on a condition that existed before I applied for that loan, unless a physician certifies that the condition substantially deteriorated after the loan was made.

My loan will not automatically be discharged in bankruptcy. In order to discharge a loan in bankruptcy, I must prove undue hardship in an adversary proceeding before the bankruptcy court.

In certain cases, the Act provides for loan discharge for borrowers who are unable to complete a course of study because the institution closes, or borrowers whose loan eligibility was falsely certified by the institution. The Act also provides for loan discharge in the amount of any required refund that my school failed to make to my lender on my behalf.

Neither the lender, the guarantor, nor the Department of Education vouch for the quality or suitability of the academic programs offered by participating schools. Unless I qualify for loan discharge under the Act, I must repay the loans even if I do not complete my education, I am unable to obtain employment in my field of study, or I am dissatisfied, or do not receive, the education I paid for with the loans.

For additional information, I should contact my lender or guarantor.

18. Consequences of Default – Default is defined in detail in my MPN. If I default, the entire unpaid balance and any accrued collection fees on the applicable loans will become immediately due and payable. Failure to repay loans made under this MPN may result in any or all of the following:

- Loss of federal and state income tax refunds,
- Loss of other federal or state payments,
- Legal action against me.

**Capitalization of Federal Stafford Loan Interest**

**What Is Capitalization?**

Capitalization is a process whereby a lender adds unpaid interest to the principal balance of a loan. You are responsible for paying the interest due on your loan as described in Item 3 of this Rights and Responsibilities Statement.

If you fail to make required interest payments before the beginning or resumption of principal repayment, or if you are granted a deferment (on an unsubsidized Federal Stafford Loan) or forbearance, your lender may capitalize such interest as provided under the Act. The principal balance of your loan will increase each time your lender capitalizes unpaid interest. As a result, you will pay more interest charges over the life of the loan. When you leave school and begin repaying your loan, your monthly payment amount will be higher or, if your loan is subject to the $50 minimum payment, you will make more payments.

This chart compares the monthly payments on unsubsidized Federal Stafford Loans where interest is paid while the borrower is in school and loans where the interest is capitalized. This example uses the maximum interest rate for Federal Stafford Loans, 8.25%. This is an estimate only. The actual interest capitalized will depend on factors such as disbursement date, number of disbursements, and the variable interest rate.

19. Credit Bureau Notification — Information
concerning the amount, disbursement, and
repayment status (current or delinquent) of loans will
be reported to one or more national credit bureau
organizations on a regular basis. If I default on any
loans made under this MPN, that default also will be
reported to all national credit bureaus. Before any
guaranty agency reports such a default, I will be given
at least 30 days notice that default information will be
disclosed to the credit bureaus unless I enter into
repayment arrangements within 30 days of the date on

20. Special Repayment Arrangements —
A Federal Consolidation Loan Program is available under which I (or my spouse and I jointly) may
consolidate (combine) into one debt federal
education loans received from different lenders and/or
under different education loan programs.
Depending on the amount I borrow, this program may result in an extension of my repayment period.
Consolidation permits multiple debts to be combined
into one monthly payment. For additional
information, I should contact my lender or guarantor.
Under certain circumstances, military personnel may have their educational loans repaid by the Secretary of Defense. Questions should be addressed to the local service recruiter. This is a recruiting program
and does not pertain to prior service individuals or
those not eligible for enlistment in the Armed Forces.
In addition, volunteers who complete service in an
approved national or community service project can earn an educational award. The award can be used to
repay a Federal Stafford Loan. If I receive an
educational award, I am responsible for providing my
lender with information and documentation regarding my term of service and the award.
If I have no outstanding loan balance on a FFEL or
Direct Loan Program loan on October 1, 1998, or if I have no outstanding loan balance on the date I obtain
a loan after October 1, 1998, I may be eligible for
teacher loan forgiveness. The Department of
Education will repay a fixed amount of my subsidized and unsubsidized Federal Stafford Loans if I have
worked as a full-time teacher for five consecutive school years, and if I meet all other eligibility
requirements under the Act. If I am in default on a
FFELP loan or a Direct loan, I am not eligible for
forgiveness on that loan(s) unless I have made
satisfactory repayment arrangements.
If I am a full-time child care provider and I had no
outstanding balance on a FFELP loan or a Direct loan
on October 7, 1998, or I had no outstanding balance on a
FFELP loan on the date I obtained a loan after
October 7, 1998, I may qualify for loan forgiveness
under a demonstration program set forth in the Act.
I understand that I must meet other eligibility
requirements under the Act and that this program
requires annual federal funding.

21. Deferments — Under certain circumstances, I have a
right to defer (postpone) repayment. The types of
deferments that are available to me depend on when I first
obtained a FFELP loan. Upon request, my lender will
provide me with a deferment application that explains the eligibility requirements. If I am in default on my loan(s),
I am not eligible for a deferment.
If all of my outstanding FFELP loans were made on or
after July 1, 1993, and when my first FFELP loan was
made on or after July 1, 1993, I had no outstanding FFELP
loans that were made before July 1, 1993, a deferment is
available to me while I am:
Enrolled at least half time at an eligible school,
Engaged in a full-time course of study in a graduate
fellowship program,
Engaged in a full-time rehabilitation training program
for individuals with disabilities (if the program is
approved by the Department of Education),
Conscientiously seeking, but unable to find, full-time
employment (for up to three years),
Experiencing an economic hardship as determined by
federal law (for up to three years).
My lender will process an in-school deferment based on
(i) my request along with documentation verifying my
eligibility, or (ii) the lender’s receipt of a school
certification of eligibility in connection with a new loan, or
(iii) the lender’s receipt of student status information
indicating that I am enrolled on at least a half-time basis.
In all other cases, I must provide my lender with a
deferment request and evidence that verifies my eligibility.
If at the time I obtain a loan under this MPN I have an
outstanding FFELP loan disbursed before July 1, 1993,
information on applicable deferment opportunities will be
found in my earlier promissory note materials.

22. Forbearance — If I am unable to make my scheduled
loan payments, the lender may allow me to reduce my
payment amount, to extend the time for making
payments, or to temporarily stop making payments as
long as I intend to repay my loan. Allowing me to
temporarily delay or reduce loan payments is called a
forbearance. Interest charges continue to accrue during a
forbearance period. The lender may grant me a
forbearance in the following circumstances:
Financial hardship, and/or
Illness.
